SAFETY ARRIVAL/DISMISSAL MESSAGE

February 8, 2021

Dear Families of Miami Springs Middle School Students. This is your principal, Ms. Valero with an important message.

The safety of our students at Miami Springs Middle School is our priority. Therefore, we have reviewed our safety guidelines for daily arrival and dismissal of students with your child last week and are calling to share these safety procedures with you as follows:

- The student day runs from 9:00 a.m. – 3:50 p.m.
- Please be advised that there is no supervision before 8:00 a.m. or after 4:30 p.m.
- Students being transported by private vehicles are to be dropped off and/or picked up on South Royal Poinciana Blvd. (main entrance of the school) only.
- Students transported by private bus transportation will be dropped off and picked up on East Drive, at the bus turn-around located on the physical education field on East Drive. Students must remain on the patio area until their bus has arrived and parked. Buses should not drop off your child before 8:00 a.m. as there is no supervision before 8:00 a.m.
- Students transported by Miami-Dade County Public Schools Transportation will be dropped off and picked up in front of the school's patio area.
- Once students are on school grounds, whether dropped off by a parent or family member or is being transported by a private or MDCPS bus, they are not permitted to leave the campus unless picked up by a parent, guardian or relative listed on the Emergency Contact Card. Students may not be signed out of class 30 minutes prior to dismissal.

A letter detailing the safety arrival and dismissal procedures is being sent home with your child today. We appreciate your cooperation in this effort to keep our students safe.

Thank you.
